Dear Gurmeet
Congratulations! You have been accepted to Weber State University beginning the Fall 2025(classes begin August 25) semester.

You have been awarded the Louis F. Moench scholarship beginning the Fall 2025(classes begin August 25) semester. This is a 4-year (8 semester) award of \$8000, \$4000 per semester applied to out-of-state tuition with a total value of \$32000. This document is nonbinding. This scholarship offer is contingent upon fulfilling admission requirements and agreeing to the terms and conditions of the award.

Let me be the first to encourage you to become involved and take advantage of the University's many programs and activities. Please take the time to review this letter and the enclosed information to help ensure that you are aware of important details.

Below is your WSU Student ID number and International PIN number. These numbers are used to create your student portal, allowing you to register for classes and apply for on-campus housing. We recommend applying for housing as soon as possible, as some of the housing options will fill well before the beginning of the semester. Information about getting your eWeber username and password, as well as registering for classes and applying for housing, is included in your Welcome letter.

WSU Student ID Number: W01544306
Major/Program of Study: Business Administration
International PIN: INT995011

****All admitted F-1 international students must pay a non-refundable tuition deposit of \$250 before an I-20 document can be issued. This deposit will be applied to your first semester tuition. If you defer your admission to the next semester, the deposit will be carried forward accordingly for one semester only.**** [PAY HERE](#)

Please note that all Health Professions majors are pre-applicant and competitive programs and have additional application procedures. To be formally accepted into your intended major you will need to apply through the program. Please email healthprofessions@weber.edu to check for other requirements.

Again, welcome to Weber State University. I am pleased you have chosen our institution to continue your education. If you have any questions or need more information to help you begin your education at Weber State University, please contact our office at (801) 626-6853 or by email at [intl admissions@weber.edu](mailto:intladmissions@weber.edu).

Best Wishes and Success,

Mary Machira, Ph.D.
