

Gurmeet Bhatti

In 2023, seeing the growing demand for high-quality construction and interior décor materials, I suggested to my father that we expand our family business by adding tiles and granite products. We formed partnerships with contractors, builders, and interior designers to supply these materials on a larger scale, tapping into the booming construction industry. Pursuing a BBA in the USA will give me the essential business skills I need to manage and grow this venture. The program will teach me about supply chain management, marketing, and operations, helping improve our business strategies. Studying in the USA will also introduce me to new global business practices. I have received my I-20 for the 2025 intake.
