## Housing Program: Policies and Requirements

### Eligibility:

The Students Services Office offers an all-year housing program to full-time undergraduate and graduate students who have completed the registration process. Exceptions are granted for semester and summer breaks and may be granted for part-time students and students from other universities or colleges during the summer session.

Please Note: If you decide to withdraw or transfer out, you will no longer be eligible for the housing program, and will be required to vacate within 30 days of notice from the Lincoln University Housing Program per your rental agreement with the university. Rent will be prorated to correspond with your move out date.

### Requirements:

When you are accepted into the LU Housing Program, you must sign a Student Housing Agreement, which is a legally binding contract that governs occupancy, rental payment, conduct, and expectations for proper maintenance of your apartment for an academic term (Fall, Spring, Summer). You will need to renew your Agreement for the next term or request an extension when you are not attending classes if you will be a continuing student at Lincoln. Carefully read the Housing Agreement and ask questions if you need clarification before you sign it.

The Agreement specifies expectations for personal conduct. Lincoln's community includes students and staff of different genders, races, color, religions, sexual orientations, marital status, and national and ethnic origins. Lincoln highly values diversity because it significantly contributes toward each student's social, cultural, and intellectual life. Therefore, conduct that violates the rights of others is **grounds for immediate termination of your Agreement** and/or future housing program privileges.

### Reservation Information:

A confirmed reservation and a non-refundable deposit in the form of a cashier's check/money order, or wire transfer in the amount of \$500 is required to secure housing for the upcoming semester. It is highly recommended that you start the process a minimum of 10 business days prior to your arrival at the university. Please follow the instructions in this order:

A confirmation of apartment reservation will be sent within 2 business days.
2. Once you receive your confirmation, send your non-refundable of \$500 at least 10 business days before your arrival date by cashier's check/money order, or by wire transfer to:

If you do not arrive within 1 business day of your arrival date and you have not made other arrangements with the Student Services Office, your reservation will be cancelled, and you may lose your deposit.

If you are planning to stay in your apartment for the next academic session, you need to inform the Student Services Office at least 30 days before the end of your current Housing Agreement.

Please Note: If you want to avoid staying at a hotel when you arrive, we must receive your \$500 a minimum of 10 business days prior to your scheduled arrival date. Students will be prioritized for housing based on the date the money is received. Housing is not guaranteed after the first day of classes of each semester or summer session.

## Living in the Bay Area

### A brief guide for the San Francisco Bay Area

Adjusting to a new environment and culture is not easy. You may feel that people do the strange things in strange ways. This is because they do not behave as people do in your country or as you are accustomed to seeing people behave. This is what makes life in another country so very interesting.

#### Oakland

Lincoln University is in Oakland, California – one block from the downtown center. It is the 8th largest city in California and is well known for its cultural diversity. The climate here is much sunnier than in San Francisco. The average temperature in January is 60 F = 16 C. In July, the average temperature is 72 F = 22 C.

The city of Oakland provides the “**Safety and Maintenance Ambassador Program**”. This is a flagship of the Downtown Oakland and Lake Merritt-Uptown Community Benefit Districts. The program consists of 25 full-time, highly visible Ambassadors that circulate throughout Downtown Oakland providing essential security, maintenance and hospitality services. The staff works daily to improve our neighborhood by creating a cleaner, safer and more hospitable downtown for all to enjoy. The Safety and Hospitality Ambassador Program Hours of Operation: Monday-Friday 7:00 am-10:00 pm, Saturday 12:00 pm-12:30 am

**For Ambassador assistance, call 510-898-8592**

### Weather in the Bay Area

Newcomers to the Bay Area sometimes have difficulty getting used to the weather. If you are from a warm climate, you will be very uncomfortable at first. Although the Bay Area climate is considered temperate, it is rarely truly warm and even more rarely it is hot. San Francisco is famous for its fog, which can come rolling in quite unpredictably. Even on warm days, it is wise to keep a coat or jacket with you. Oakland is typically warmer than San Francisco; however, it gets cold and rainy during the winter season because of the proximity to the Bay.

If you go just a few miles inland, you will find the climate is often quite hot in the summer. People learn to dress in layers so that they can adjust their clothing to the varying temperatures they are likely to encounter as they travel to different cities in the Bay Area.

Winters in the Bay Area are cool and usually rainy. In a normal winter, from November to March, it is expected to see a lot of rain and temperatures to be quite cool. Freezing temperatures, snow, and ice are extraordinarily rare.
