Recognizing the growing demand for premium ~~human~~ hair extensions beyond fashion circles, I saw a unique opportunity that combines beauty with empowerment. During my gap period after senior secondary, I researched how more women are stepping into entrepreneurship and how appearance often plays a key role in confidence and presentation. I found a rising need for accessible, high-quality hair solutions that support this shift. This inspired me to envision a brand that not only offers versatile products but also uplifts women through style and self-assurance. To shape this vision into a real business, I chose BBA to build the right foundation in management, branding, and innovation.

Recognizing the growing demand for premium ~~human~~ hair extensions beyond fashion circles, I saw a unique opportunity that combines beauty with empowerment. During my gap period after senior secondary, I researched how more women are stepping into entrepreneurship and how appearance often plays a key role in confidence and presentation. I found a rising need for accessible, high-quality hair solutions that support this shift. This inspired me to envision a brand that not only offers versatile products but also uplifts women through style and self-assurance. To shape this vision into a real business, I chose BBA to build the right foundation in management, branding, and innovation.
