Gurkaran

Studying in USA can be a rewarding & enriching experience for me and I ~~was~~ was aware about this seeing many of ~~at~~ my friends graduating from the nation & doing great in terms of career in India these days. After senior secondary in 2022, I prepared to apply for the education there. I prepared for PTE and applied further. I got refused in my first attempt which made me realise that I should first study thoroughly about some concepts of my study. With this I did a research work on Business communication, Business Ethics, & Brand awareness which has made me confident about my coursework. Currently with my next attempt I applied for the fall 2024 intake.

I took a decision to apply for studies in overseas after my senior secondary in 2022. So, after evaluating and comparing almost many countries, USA attracted my eyes for a bachelor of business course which can clear my basics properly. So, after appearing for PTE, I initiated study application in some universities and received my i20. Unfortunately, I got refused and I applied for next available intake.
