Letter of Recommendation

I am pleased to write this letter of recommendation for Anjali D/O Davinder Kumar, whom I have known as a student of **Gursewa College of Nursing, Panam, Garhshankar, Distt. Hoshiarpur**. She has done her **GNM (General Nursing Midwifery)** during session 2018-2022 and during these years I have noticed her capabilities and potential.

As I have handled the class so I have closely observed her work and conduct. She always shows good capabilities to understand and implement theoretical and practical knowledge. She always exhibited a keen interest in learning and her insight into the subjects. She is very sincere, hardworking, devoted and dedicated to her studies. She has articulated communication skills and she can reach the limits of glory in any field, if any opportunity is provided to her. I keenly recommend for her studies in your well reputed universities. It is my pleasure to give her this testimonial and wish her success and endeavors.
