## Future goals?

My future goal is to become a nurse educator and contribute to the development of skilled nursing professional in the health care sector. So, after completing my bachelor, I would like to return back to my home nation also. I will plan for my masters further in the same field.

Yr 2022 +2 medical to Bachelor of nursing!  
Jashanpreet Kaur.

After completing my studies in 2022, I actively accompanied my mother, who provides home care services for elderly patients and individuals with severe injuries. Through this experience, I witnessed first hand the challenges in our nation's healthcare system, including administrative inefficiencies, funding gaps and outdated practices. I also observed the critical role that skilled nurses play in providing compassionate care and ensuring patients well being. Realizing the urgent need for improvements in both the quality of care and the

Date \_\_\_\_ / \_\_\_\_ / \_\_\_\_

infrastructure of our healthcare system, I developed a strong interest in nursing and healthcare management. To make a meaningful impact in their field, I decided to pursue a Bachelor of Nursing in a country renowned for its advancements in healthcare and nursing education. This led me to apply for the 2025 intake in the USA.

Ans:- I want to say that I provided all essential financial documents to the University during my application process. Unfortunately, I did not bring the physical copies of these documents to the embassy today. However, you can find all relevant details outlined in my 1-20 form.
