^{Statement of Purpose}
[BDS to MBA Healthcare]
Dental

GAP - 2023.

While practicing dentistry, I often saw patients struggling—not just with pain but with long wait times, inefficient processes, and financial barriers to treatment. One day, I encountered a patient whose urgent dental care was delayed due to administrative mismanagement. This experience made me question: How can we improve healthcare systems to ensure patients receive timely and efficient care? I realized that beyond clinical expertise, healthcare leadership and management play a critical role in shaping better patient outcomes. This drove me to pursue an MBA in Healthcare, where I can develop skills in hospital administration, financial planning, and healthcare innovation. With this goal in mind, I have applied for the 2025 intake in the USA.
