"Baking has always been a passion of mine, and after completing my studies in 2022, I decided to turn this passion into a business. My mother and I started a home-based bakery, specializing in cakes, cookies, and pastries. Encouraged by the positive response, we expanded into a cloud kitchen, where we received excellent customer feedback. However, as the business grew, I realized the challenges of managing operations, inventory, and marketing. To gain in-depth knowledge of business strategies, I have chosen to pursue a BBA in the USA. This degree will help me refine my skills in branding, supply chain coordination, and financial management, ensuring the long-term success of my bakery business. Therefore, I have applied for the 2025 intake,

My future goal is to establish my own bakery brand with a strong market presence. To achieve this, I need expertise in branding, supply chain coordination, financial management, and digital marketing. Pursuing a Bachelor of Business Administration in the USA will equip me with the necessary skills to optimize operations, implement effective marketing strategies, and manage financial aspects efficiently. also, i will plan for my master's further in the same field.
