Guekinat - GIAP 2024

[+2 Arts to BBA]

Growing up in a business-oriented family, I have always been fascinated by how businesses operate and expand in the competitive market. After completing my studies in 2024, I started contributing to my family's business of electronics item distribution, where I gained hands-on experience in business operations and customer dealings. During this time, I understood how traditional business methods work, but I also realized that integrating modern business strategies with conventional practices can lead to greater business growth and innovation. To gain professional knowledge in the business field, I decided to pursue a Bachelor of Business Administration (BBA). To fulfill the university requirements, I also prepared for the English proficiency test (IELTS) and applied for the 2025 intake,
