[ +2 Commerce ] (GAP - 2023)  
to  
BBA

After completing my studies in 2023, I actively engaged in beekeeping as part of our family's animal husbandry business. We established tie-ups with local supermarkets, and due to the purity of our honey, we experienced a significant rise in market demand. This success inspired me to expand our beekeeping operations on a larger scale and eventually launch a brand similar to Organic India or Dabur. To achieve this, I recognized the need for strong business and management skills, leading me to apply for a BBA in the USA for the 2025 intake. This program will equip me with the expertise required to build a successful and sustainable organic brand in the future.
