LETTER OF RECOMMENDATION

I am writing in enthusiastic support of Mr. Harmanjeet Singh to pursue his higher education in your institution. I know him from last four years. He distinguished himself in the Graduation by receiving the highest grade in the class. But this accomplishment only scratches the surface of his ability and character. He is the type of person who loves learning. He's one of those rare people who works very hard and diligently, but does so with a smile on his face.

He is a scientific humanist, with a genuine caring for others. He was well-liked and admired by his peers in college.

Moreover, he was an articulate, polite, informed, and motivated student of our college.

In short, Harmanjeet Singh's high caliber of character and keen meteorological expertise set him well above others at his level of education. I warmly recommend him for higher education at your university.
