Letter of Recommendation

I am happy to write a testimonial for Sourav who had been my student during the academic sessions 2022-23 and 2023-24 . I knew him in the capacity of an English teacher.

I found him to be an insightful, devoted, punctual and humble student. He had always been thoughtful, persevering and innovative. His helping and co-operative nature enabled him to go along well with one and all.

I highly recommend him for admission in your prestigious institute. I wish him good luck for his future endeavours. He will surely prove to be an asset for your institute.
