(+2 Arts to BBA)

GAP - 2023

Jaskirat Kaur.

While art has always been my passion—especially sketching people and spiritual themes—it also gave me early exposure to real-world business experiences. As I began taking local orders and managing small art projects from my friends and relatives and I found myself deeply interested in client handling, budgeting, marketing, and planning. This shift in perspective made me realize that to grow as an entrepreneur in the creative space, I need structured business education. My ambition is to launch a professionally run art institute where I can combine creativity with business discipline. That's why I've chosen to pursue a BBA in the USA, and I've received my I-20 for the 2025 intake.
