- Sukhpreet Singh.

GAP - 2024.

(BBA to MBA)

Growing up, I was always captivated by luxury brands and how they create exclusivity and demand. After completing my studies in 2024, I started researching consumer psychology, brand positioning, and the evolving luxury market in India. I realized that excelling in this industry requires a deep understanding of marketing, supply chain management, and international business. This led me to pursue an MBA in the USA, where I will gain expertise in luxury retail management, digital branding, and global market expansion. My goal is to introduce innovative branding strategies in India's luxury retail sector.
