LETTER OF RECOMMENDATION

I am glad to recommend Miss. Chanchal for higher studies, who was the regular student in class 12th (Twelfth) of our school in the session 2017-18 and passed AISSCE 2018 (12th) under roll no. 2752919.

During her studies I observed her as a student, who is eager and keen in grasping anything that is new in the field. She is also a technically sound student with aptitude of research work which makes her to be updated about latest development in the field.

I would like to add more about her. She is soft spoken and extremely well behaved. She is very highly motivated and has the ability to spread the positive energy around with an excellent intro-personal skill and amicable nature. These traits, I think, makes her a natural leader, this ability of natural leadership helped her in successful completion of her course.

Miss. Chanchal 's medium of instruction being English all through. I am confident she finds no problem in understanding classroom lectures. Hence I strongly recommend her for admission at your esteemed institute.
