**LETTER OF RECOMMENDATION**

I am pleased to recommend Mr. Mukul Shahi for higher education in your university.

I know from discussion with colleagues & classmates in my department and think that he is a very well organized student. I have always found him to be very well prepared, hard working, and punctual.

I have found him to be surprisingly matured for his young age and determined.

I have no doubt that he has the skills, focus and determination in successfully completing the program.

He will be a dedicated student and a competent professional in the future.

Wishing him good luck for future.
