Country of Origin: **India**

Initial Term: **Fall 2025**

Anticipated Major/Course of Study: **Liberal Arts and Sciences: Humanities**

Mandatory Orientation Date: **August 18, 2025**

Dear Priyanshi:

Congratulations! You have been **accepted to College of the Canyons¹**. We take great pleasure in extending this offer of admission to you as part of the **Class of 2026**. Your journey starts with COC, where a great many students not only complete our program, but also take advantage of the **2+2 transfer guarantee** that is unique to the California public higher education system. Doing so will enable you to **earn a bachelor's degree at a prestigious institution**, with units guaranteed to transfer and count toward your four-year degree at a university like **California State University, Northridge or the University of California, Los Angeles**. Studying in the United States is not easy, and you are part of a select few who we believe have what it takes to thrive as a student here.

You can expect to hear from my staff in the coming weeks, sharing information and reminding you about key deadlines. Your **first step is to complete all necessary steps to secure a visa interview** with a US embassy, including submitting evidence of financial capability to pay for your education. Please provide such evidence of financial capability to my office as soon as possible by emailing us at isp@canyons.edu, so that we can issue you an **I-20, the certificate of eligibility required to secure a visa interview**. My office is ready to assist you as you demonstrate your fitness and capability to study in the United States.

In closing, let me say that we are so thrilled to see you take this major step towards completing your bachelor's degree in the United States! I cannot wait to welcome you to our campus.

Sincerely,

Dr. Tim Honadel
Director, International Services & Programs (ISP)
College of the Canyons, Santa Clarita Community College District
