LETTER OF RECOMMENDATION

As a principal of Dr Jai Parkash memorial school and college of nursing, I am delighted to write this letter of recommendation for Ms. Partiksha for pursuing her MBA in healthcare in your illustrious university. I have known Partiksha since 2020 and hence I can confidently discuss her skills and qualities. She is a highly motivated and sincere student and I am proud to have a student like her under me.

I gave her knowledge about nursing and related subjects for the four years during her graduation in B.Sc. nursing (2020-2024), It is during this time that I had ample opportunity to estimate her theoretical and practical capabilities. She is a talented student. I noticed her eagerness to learn new things. She never hesitates to ask questions if she does not understand any topic. Alongside her academic performance is also good. Partiksha has portrayed great enthusiasm in Inter College competition (youth feast), and has never missed a chance to win the institute its glory. I can assure you that Partiksha will continue her efforts in being a valuable part of the student body at your esteemed university and simultaneously shine as an individual.

The most striking aspect of her personality is her proper planning and positive attitude with which she approaches the task and projects in an efficient manner. She surely is a well-deserved candidate and I sincerely believe she will bring her optimism and tireless creativity to your class and university as a whole.

Hence, I recommend Ms. Partiksha for a degree at your institution. If you need any additional information, feel free to contact me.
