

With the advancement in technology change in the traditional business strategies has become the need of the hour.

I am **Dalli** a resident of **Kaithal, Haryana, India**. I completed my **Matriculation** from **Central Board of Secondary Education** in **2015**. Further, I completed my **Senior Secondary Education** from the **Punjab School Education Board** in **2017**. After the completion senior secondary education I pursued **Bachelors of Commerce** from **MCM DAV College for women** during the session **2017-20** and my **Master of commerce** from **GGDSD College** during the session **2020-2022**. I also appeared for **IELTS** exam and scored **8 bands** overall.

While, there are many good nations that offer this particular course. Yet USA stands as the best and unbeatable nation to consider for pursuing higher education. USA has an unparalleled education curriculum and one of the top-technology that makes it stand as a tough competition in the education sector. One of the reasons for choosing the States for higher education is the high quality of lifestyle and education. A degree earned from US varsity is highly-acclaimed and globally recognised. The program will not only enhance my subject knowledge but will also help me in enhancing my skills such as teamwork, effective communication, leadership, problem solving abilities etc.

I have been keen on joining **Sacred Heart University**. Sacred Heart University is the first Catholic University in America to be led and staffed by lay people. Contemporary in spirit and thinking and rooted in the liberal arts and Catholic intellectual traditions, with a mission to educate the whole person while preparing students to lead and serve in the world. The programs offered allow students to engage in the local community and in communities around the world. Nearly all of the programs are organized by student leaders who grow their leadership and professional skills.

The course I intend to study there is **MBA**. My study curriculum will include Legal foundation of business, human relations in business, business and society, industrial and organizational behaviours, personnel management, small business management, organizational development, cultural dimensions of management, quantitative analysis. This course will help me outshine and gain an upper hand in my field of expertise. I will have a variety of career opportunities open for me in my home country. With a degree from the Saint Martins University, USA will be impactful and help me create a better mark than others in my chosen field. With cut throat competition and increasing demand for good business development skills this degree will be a valuable asset for me. After gaining this degree I intend on coming back and working with a good and reputed MNC such as

PepsiCo, Google, and Nestle etc. in my home country. I am a firm believer that I will be able to excel and succeed in my career by making my aforementioned choices.
