**Letter of Recommendation**

As a Head of the Department (**Anaesthesia**) at Govt. Medical College, Amritsar. I am delighted to write this letter of recommendation for Ms. Pawandeep Kaur for Completed her Graduation in your illustrious university. I have known Pawandeep Kaur since 2017 and hence I can confidently discuss her skills and qualities. She is a highly motivated and sincere student and I am proud to have a student like her under me.

I taught her Anaesthesia for the three years during her graduation in Bachelor of Science in **Operation Theatre Technology (2017-2020)**, It is during this time that I had ample opportunity to estimate her theoretical and practical capabilities. She is a talented coder and has assisted some of my fellow lecturers in their projects. I noticed her eagerness to learn new things. She has always been clever about her concept and she never hesitates to ask question if she does not understand any topic.

Alongside her academic performance, Pawandeep Kaur has portrayed great enthusiasm in Inter College competition and tournaments, and has never missed a chance to win the institute its glory.

The most striking aspect of her personality is her proper planning and positive attitude with which she approaches the task and projects in an efficient manner. She surely is a well-deserved candidate and I sincerely believe she will bring her optimism and tireless creativity to your class and university as a whole.

Hence I recommend Ms. Pawandeep Kaur for a Bachelor degree at your institution. If you need any additional information feel free to contact me.

With best regards.
