

### **STATEMENT OF PURPOSE:**

Myself **Paramdeep Singh**, I completed matriculation in year 2020 from Indian Certificate of secondary education, and senior secondary from central board of education in year 2022.

USA is one of the best nations to consider when planning studying abroad. The education system in United States is crafted and designed in a manner that it is the best education system in world. Though none of the education system is perfect and the USA is no exception to this rule yet, it is one of the superior systems. With a variety of benefits to offer USA is my choice since it provides quality education, unique curriculum, and multicultural environment. The education system is flexible and provides abundant opportunities. The lively and vibrant campuses, cultural diversity and hospitality offered the international students are impeccable and add up to make **USA a dream study destination**.

I will have a variety of career opportunities open for me in my home country. With a degree from the prestigious varsity I will be able to create a better impact in my chosen field. With cut throat competition and increasing demand for good business development skills this degree will be a valuable asset for me. The scope of management outlines the management steps that a company requires to control work processes, complete projects and deliver We have to make our own path to achieve success in life. I decided that studying in United States of America will be the next step in the path of career achievement. So, I started searching about the relevant courses according to my field of interest. After exploring a lot I selected to pursue **BBA from Lincoln University**.

A degree from your prestigious varsity will help me outshine in my chosen field and gain a better grip over my career goals.

Thanks & Regards

Paramdeep Singh
