## To Whom It May Concern

I am pleased to write this letter of recommendation for **Abiral Thakur S/o Mr Ranvijay Singh**. I have had the opportunity to teach **Abiral Thakur** in International Business at **Amity Business School** for the past **four semesters** and I can confidently say that they are an excellent student.

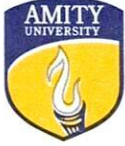

**Mr Thakur** has always been eager to learn and has shown great interest in the subject. They are hardworking, responsible, and consistently perform well in class. For example, during dissertation and Projects **Abiral Thakur** displayed a strong understanding of the topic and completed the work with dedication and creativity. Their ability to think critically and solve problems has always stood out to me.

In addition to academics, **Abiral Thakur** is respectful, punctual, and works well with their classmates. They have also been involved in organising workshops & projects, showing initiative and leadership among their peers.

I believe **Abiral Thakur** has great potential and will continue to grow and succeed in whatever they pursue. If you have any questions or need further information, please feel free to contact me at [akpandey69@ggn.amity.edu](mailto:akpandey69@ggn.amity.edu)

Sincerely,

**Dr. Ajay Kumar Pandey**
