Recommendation letter

I am happy to write a testimonial for Anshika who had been my student during the academic sessions 2014-15 and 2015-16 .I knew her in the capacity of an English teacher.

I found her to be an insightful, devoted, punctual and humble student. She had always been thoughtful, persevering and innovative. Her helping and co-operative nature enabled her to go along well with one and all.

I highly recommend her for admission in your prestigious institute. I wish her good luck for her future endeavours. She will surely prove to be an asset for your institute.

Recommendation letter

I feel glad to endorse this letter of recommendation in favour of Anshika, who had been our student in class XI and XII i.e. during the academic sessions 2014-15 and 2015-16, having admission number 102465. I found her to be a sincere, dedicated and innovative student. Her habit of completing every assigned task well in time and her receptivity to new ideas were her typical traits. She had the knack of applying the theoretical part into everyday life situations.

She would surely prove to be an asset to your prestigious institute. I highly recommend her for higher studies in abroad. I extend my best wishes for all her future endeavours.
