Letter of Recommendation

I am pleased to issue recommendation letter towards **RAJVIR KAUR D/O SH. BALDEV SINGH R/O SANGRUR**, who has successfully completed **B.Com** class from our Institute in session 2016-19 under Roll No. 26068 and Registration No. 915-2016-330. During her study I got the opportunity to closely interact with her over a period of three years. I have always found her to be very committed and hard working.

She was always keen to share and learn new skills. Having known her as a student, I state confidently that she can accomplish any task assigned to her with devotion and bring laurels to the institute in which she studies. So, I strongly recommend her admission into your university with adequate financial aid and I am sure you will also feel the same.
