## LETTER OF RECOMMENDATION

It is immense pleasure to recommend one of my best student Miss. Balwinder Kaur D/O Mr. Sewa Singh, completed her GNM course from Life Guard Institute of Nursing. Her GNM Registration number is 118715.

I came to know Miss Balwinder Kaur in the session of 2016 to 2019. Both in class and clinical hours she had given me a strong impression. She had put in a large amount of extra effort in helping the other student with class notes and revisions. Her participation in the class and confidence, which are essential to success in further studies.

Miss Balwinder Kaur has an introvert personality. But at the same time it's noteworthy that she is ever ready to help and guide his juniors and senior alike.

I would like to appreciate your most favourite consideration to her and, it would be a great pleasure for me to see her continuing her higher studies at your college. If there is any question regarding to her reference please feel free to contact me at any time. I have seldom come across such versatile student.
