Medium of Instruction

This is to certify that Mr. Micheal S/o Jiwan Masih was an outstanding student of our Institute in B.Sc Nursing during 2016-2021. He was an energetic student and was having good communication skills.

Medium of his study had been English throughout the course. He was a diligent student who want to excel in his chosen fields and puts in sincere efforts to achieve the same. I found his to be a person who would always want to explore beyond text books and learn from various resources.

I am in support of his decision to pursue higher education and thus would give a strong recommendation to do higher studies at your esteemed institute.

Yours Sincerely

Ms. Rimple Kaur

Principal
