Bach (Nursing) → MBA
2022 ✓ Michael

After completing my bachelor's degree in nursing in 2022, I spent two years gaining hands-on experience in healthcare. I worked as a freelancer with home healthcare agencies, providing care to patients in their homes. My responsibilities included assisting with daily healthcare needs, managing medications, and accompanying patients to medical appointments. This exposure gave me valuable insights into patient care and the challenges within the healthcare industry. and I realized the need for better healthcare management and innovative solutions to improve services. This inspired me to pursue an MBA to build my business knowledge and leadership skills. I aim to establish a healthcare business combining home-based care and wellness programs to make quality healthcare more accessible and efficient to improve healthcare delivery, ensuring patients receive compassionate and high-quality care while embracing modern technology.
