Dear Manisha Arya,

I am pleased to inform you that you have been admitted to the MA Criminal Justice program in the Fall 2023 semester at FDU. Congratulations !

Your curriculum is comprised of 36 credits and is expected to be completed in two years. Please be aware that the estimated costs in your first academic year of study are as follows:

Tuition for first 18 credits: \$15,894

Fees for first academic year: \$2,060

Medical insurance for first academic year: \$4,500

Room and board for first academic year (fall and spring semesters only): \$15,000

**TOTAL estimate for first academic year: \$37,454**

This includes tuition, fees, medical insurance, room and board expenses for the fall and spring semesters only. It does not include costs over break periods which can add up to around \$6,000, or transportation expenses which can vary widely for each student depending on the distance to be traveled.

Fees for each semester will be due at the start of the semester. Medical insurance will be due, in full, at the start of each academic year.

If you wish to accept the offer of admission and confirm your enrollment, please use the first link on [www.fdu.edu/makepayment](http://www.fdu.edu/makepayment) to submit your \$200 tuition deposit as soon as possible. Your FDU ID number is **2081373**.

Once your \$200 tuition deposit has been received and processed, we will advise you of the next steps to enroll at the University and receive your I-20 and other documents to apply for your visa. The tuition deposit is applied in full towards your tuition expenses at the University and is refundable only in the unfortunate event that your application for a US student visa is unsuccessful based on your FDU I-20.

If you have any questions, please let us know.

We look forward to seeing you in the Fall!

Sincerely,

Emma McNamara  
International Admissions Counselor
