Letter of Recommendation

It is my pleasure to write the letter of recommendation of **Palakpreet Kaur** whom I have known as my student of the Sant Singh Sukha Singh Khalsa Senior Secondary School, The Mall, Amritsar, Punjab, India. She is very intelligent student with the consistent and brilliant track record. I was during the class 10+2 in the year 2020 that I met her. I taught her Computer Application and found her to be an ingenious student.

As far as the performance is concerned, I have no hesitation in saying that she was excellent in presentation and assignments. She has further obtained comprehensive and versatile understanding as a result of various assignments given to her.

A committed student Palakpreet Kaur believes in giving her hundred percent in her class work, home assignments and other activities related to academics.

Given her various talents, I have no doubt that Palakpreet Kaur will succeed remarkable in the Graduation Programme, She wants to study at your University. Since the curriculum offered by your university is designed to build each student's capabilities, I am confident that she will not only benefit but also contribute towards your program and will come out with flying colors. If you need any further information about this promising young please feel free to contact me.
