TO WHOM IT MAY CONCERN

It is considerable pleasure that I write this letter of recommendation to refer Satinder Singh S/o Lakhwinder Singh for admission in your Esteemed Institution. As his teacher I have found Satinder Singh to possess outstanding academic and personal qualification. He has an inquisitive mind and is eager to learn. His active participation in class discussions and his examination papers reflected his clear understanding and grasp of subjects he took. His conceptualization, organization and communication skills are excellent.

In addition, his ability as a leader to other students and confidence in varieties of challenges had brought him praises not just from me, but also from most of his instructors and teachers in school. He has always been in the forefront, actively participating in all other co-curricular and outdoor activities organised by school from time to time.

He has a friendly demeanor and strong sense of social responsibility. I found him to be trustworthy, responsible and caring. I would recommend him without reservation.

I have strong confidence that Satinder Singh will be an asset to your university.

Wishing Satinder Singh all the best.

Thanks and Regards;
