Letter of Recommendation

I am privileged to write in support of Ms. Sukhbir Kaur D/o Dharampal Singh, Reg. No. PU(P)2011-1025 student of Master of Science Mathematics (Applied Mathematics & Computing) Session 2014-2016 at Mathematics Department, Punjabi University Patiala, Punjab. Her medium of instruction for the above-mentioned course was English for the entire course. During these two years of her post-graduation, I witnessed of tremendous growth and development in her personality.

She was an outstanding student who took deep interest in all class activities and lectures. She has good time management skills along with excellent team bonding. She worked well in team and had a knack of getting work done. She was sincere and worked effectively towards reaching her goal.

Overall with her understanding and maturity I think she is well suited for your College/University. I highly recommend Sukhbir Kaur for her further studies at your College/University. I wish her all the best and recommend her for your program.
