Congratulations Archna!

Welcome to the Warrior Nation! I am pleased to inform you that you have been **accepted** into Indiana Tech's Biology, B.S., for the Fall 2023 - 2024 Academic Year.

Not only are you being offered a place in our university, we are formally welcoming you into a vibrant community where everyone makes a difference. Once you become a Warrior, you will always be distinguished by this achievement – you will always be part of the Warrior Nation.

Your academic and extracurricular successes have prepared you well for the exciting challenges of university life. Indiana Tech offers you abundant opportunities to learn and gain the practical experience for your desired career.

On behalf of the entire Indiana Tech community, I applaud **YOUR** achievement, and I look forward to welcoming you to the Warrior Nation. I am looking forward to seeing you among our growing number of diverse and gifted international students on our campus. Let me again congratulate you on your acceptance to Indiana Tech.

Your next step will be to work on collecting your immigration documents. Your admissions counselor will reach out to you with a list of required documents for you I-20 and visa application. Welcome to the Warrior family!

Sincerely,

Sharmila Chowdhury
Director of International Admissions
